

HAVE YOUR SAY IN THE LOCAL GOVERNMENT PLANNING & BUDGETING PROCESS

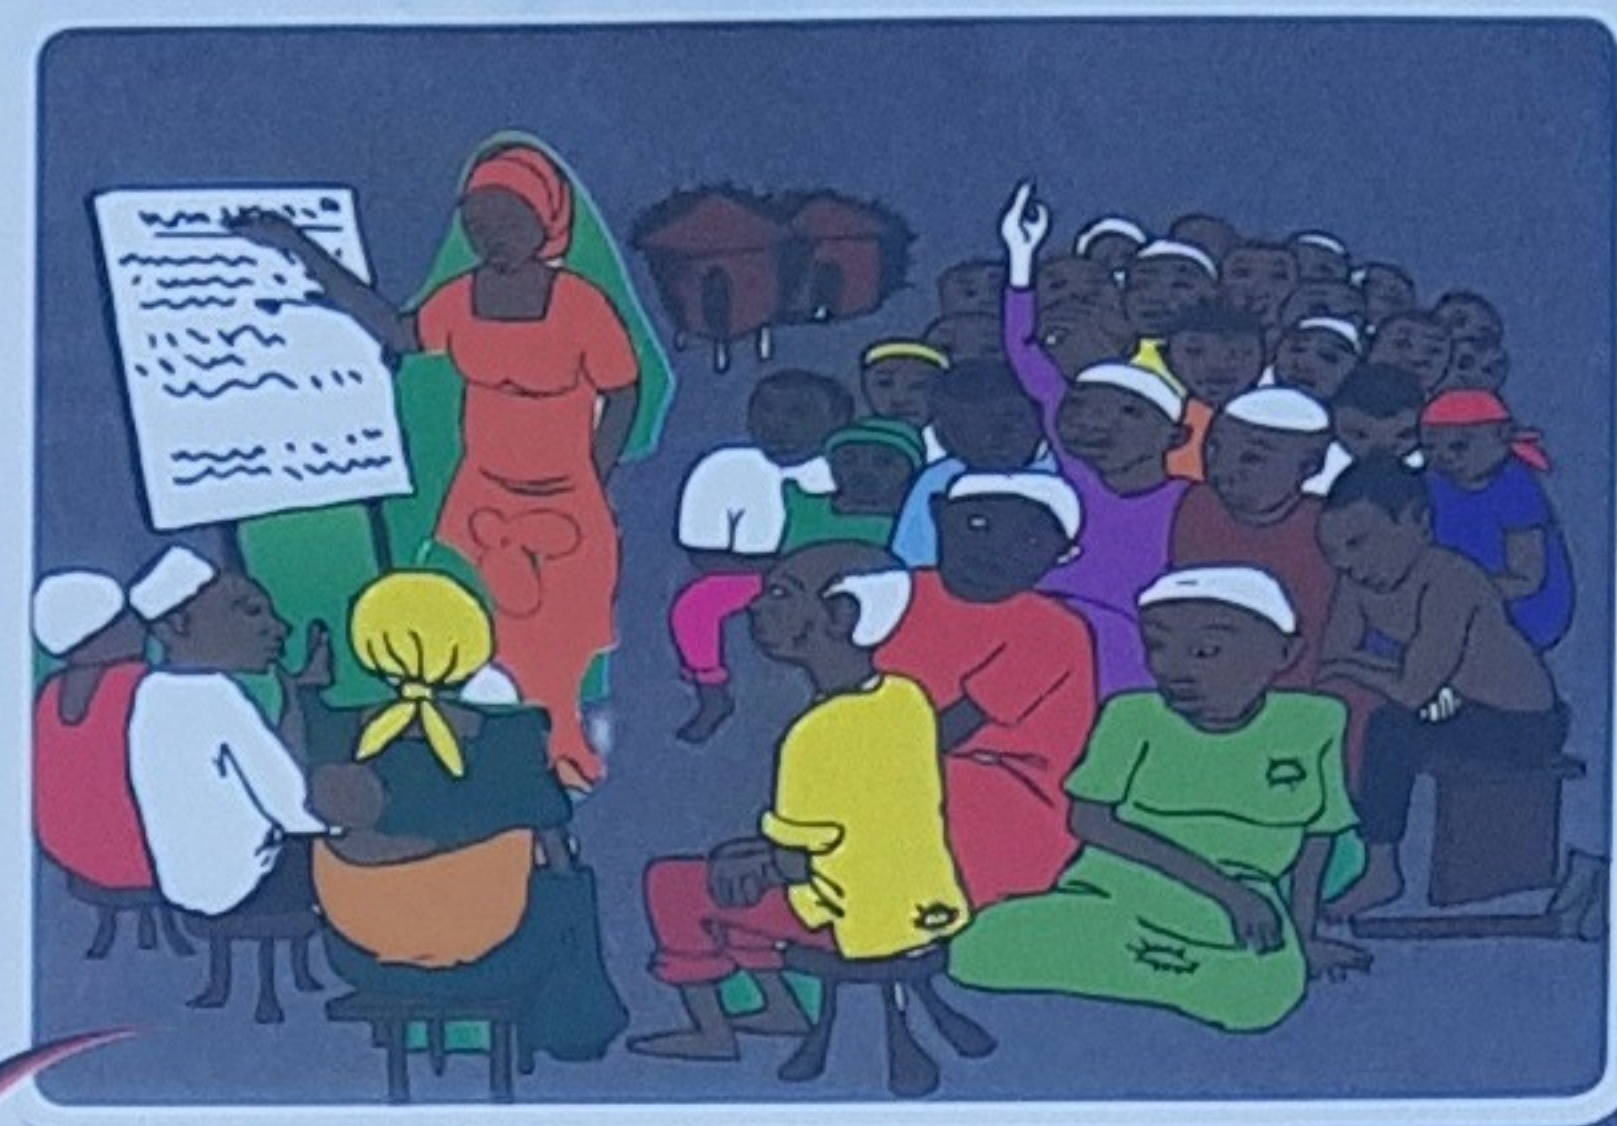

August - September

Village meetings are held to identify priorities.

STEP 1

June - July

STEP 8 Monitoring of implemented projects

October

Parish level: Compile priorities from village. Sub county level: Compile priorities from parishes and review budget and projects for the district to approve.

STEP 2

May

STEP 7 Budget approval by council and implementation of approved projects

November

District Executive meet to select final priority needs from the sub county.

STEP 3

March - April

STEP 6 Council meeting is held to discuss priorities.

November - December

Budget conference is organized at sub county and district level to assess priority needs in the budget.

STEP 4

December

STEP 5 Sector meetings are held at the district level to discuss sector priorities.

Participation of business women in the LG planning process can be through

- Attending and participating in village meetings.
- Sending representatives to the budget conference
- Monitoring implemented projects.
- Organize meetings with area councilors to present their needs
- Share information on needs through radio talk shows.
